with

**BURLINGTON  
ENGLISH**

# Preparing Students for Their *Future!*

Burlington's standards-based, comprehensive curriculum integrates academic preparation, civics knowledge, career readiness, and digital literacy at all levels of instruction. Designed to help programs meet the goals of WIOA, Burlington ensures that teachers have everything they need to put their students on the path to academic and career success.

## Burlington Core

### A Six-level, Standards-based Core Curriculum

**Burlington Core** is a comprehensive, fully blended curriculum developed especially for adult ESL students. It meets federal and state funding requirements and integrates important life skills, digital literacy, EL Civics, and workforce readiness to ensure WIOA success.

## ENGLISH IN AMERICA

### Civics and Life Skills for Living in the U.S.

With **English in America**, students living and working in the United States will improve their language skills and gain important life skills. This multilevel blended course includes a wide range of topic-based modules with a strong EL Civics focus.

# Preparing Students for Their *Future!*

## CAREER EXPLORATION & SOFT SKILLS

Prepare Adult Learners for Future IET/IELCE Success

**Career Exploration & Soft Skills** is a two-part blended course. In Part A, students learn about career pathways, career clusters, and how to make informed career and education choices. In Part B, students develop the essential interpersonal and workplace soft skills necessary to succeed in their chosen careers.

**More than 180 Careers!**

## English for Specific Careers

Targeted Career Courses to Support Your IET/IELCE Initiatives

**English for Specific Careers** includes over 180 specialized career courses that feature contextualized vocabulary, career-specific language, and real-life interactive workplace scenarios to help students attain, succeed in, or transition to a new career. Wordlists, Soft Skills, and Courses for Specific Careers provide a comprehensive selection of career-specific content.

Test Practice

Prepare for CASAS

## Test Practice / Prepare for CASAS

Test-taking Skills for Student Success

**Test Practice/Prepare for CASAS** is a powerful teaching tool that prepares students for success on NRS assessments. Reading and Listening Practice tests are closely aligned and correlated to CASAS to ensure that students receive the exact practice they need to improve their test scores and make learning gains.

# Preparing Students for Their *Future!*

## Burlington Grammar

### Grammar Lessons to Improve Language Skills

**Burlington Grammar** is an extensive grammar resource that can be used as a supplement to any ESL curriculum. With a total of 120 grammar lessons, teachers can dip into *Burlington Grammar* for lesson enrichment, expansion, or for additional practice.

**NEW!**

## Using Your Computer

### Your Students' First Step to Digital Literacy

**Using Your Computer** is a series of short, easy-to-follow animated videos and activities to help students develop basic digital literacy skills and become familiar with the functionality of the BurlingtonEnglish program.

**NEW!**  
Practice Activities  
for Students

**More than 30 Readers!**

## Digital Readers Library

### Wide Selection of Multilevel Digital Readers

The **BurlingtonEnglish Library** is an online collection of multilevel graded readers. Students can enjoy reading a wide selection of fiction and nonfiction, classic and contemporary novels, and short stories as part of a lesson in class or on their own.

# BurlingtonEnglish SpeechTrainer®

All BurlingtonEnglish courses feature the BurlingtonEnglish SpeechTrainer with our unique **Pronunciation Course**. This highly advanced speech-processing technology was developed by Burlington specifically for language learning.

- Offers individualized pronunciation feedback and instruction
- Adapts to many accents
- Helps improve listening skills
- Gives students confidence to successfully communicate in English

Animations illustrate correct pronunciation

## What Teachers Are Saying ...

“Students love the immediate feedback. They can see and hear how to correct their pronunciation.”

“The **SpeechTrainer** is very effective. It gives students the opportunity to improve their spoken English, which is often a challenge.”

“Because students have the ability to record their voices, this innovative technology helps improve their pronunciation and conversation skills.”

# Unmatched Customer Support

**BurlingtonEnglish** offers three complimentary training options to best fit your needs!

To learn more about teaching with **BurlingtonEnglish**, teachers and administrators can easily access On-Demand Training courses and live Virtual Training. Our **BurlingtonEnglish** Specialists can visit your program for ongoing support to help teachers and students make the most of Burlington.
